October 7-11, 2019

River Heights Kindergarten students visited the fire station while on their community walking field trip on Friday, October 4.

Mr. Kennedy's Message for the Week

It's hard to believe parent-teacher conferences are here. Conferences are a great opportunity for families and school staff to connect and discuss all the awesome things our students are working on! If I haven't had the chance to meet you yet, please consider stopping by to say hello. Our staff and I are looking forward to seeing you all!

I continue to be astounded and energized by all the great things we have going on in our school. River Heights truly is a great place to be, and it's because of everyone's collective efforts. Our staff, volunteers, parents, and families all play an integral role in the success of our students. Thank you for what you do to make River Heights the special place it is!
